---

All IFTA Members,

Quick update on how California is handling the 1st quarter 2020 tax filings for CA based IFTA carriers impacted by the COVID virus. The Governor of California has granted a 90 day extension to file the 1st Quarter 2020 tax returns for all California Tax and Fee Administration (CDTFA) taxpayers. This extension is available for all CDTFA taxpayers with a tax liability under \$1 million in tax, including IFTA accounts.

This extension was announced by Governor Newsom on March 30, 2020 in his Executive Order (attached). The 90-day extension to file the 1st Quarter 2020 tax return is already published on our website. You can see it below in my email or go to the website using the link.

We have no IFTA enforcement efforts occurring at this time in CA as we have suspended all staff field work with our shelter in place requirements for CDTFA staff. CDTFA employees continue to work and issue IFTA DECAL for all applicants applying for 2020 IFTA decals. We are currently able to keep up with the requests and don't have a back log.

I hope this clarifies how we are moving forward with COVID relief efforts in CA at this time for the CA IFTA program. I look forward to continuing to work with all our IFTA members on these issues

Hal Lovell
