Dear Fellow IFTA Jurisdictions and Law Enforcement Agencies,

Decals for International Fuel Tax Agreement (IFTA) customers who renewed their fuel tax license before Jan. 20, 2023, have shipped. Renewals or additional decals requested after this date will be shipped and are expected to be distributed to customers by mid-March.

Law enforcement officers may encounter Indiana carriers who have a valid 2023 IFTA license, but do not have the required decals displayed on the vehicle. As a result of this delay, Motor Carrier Services (MCS) is requesting suspension of enforcement action by Indiana and other IFTA jurisdictions if Indiana carriers can provide a copy of the 2023 IFTA license and this document without the required decals displayed.

MCS apologizes for any inconvenience and appreciates your patience regarding this matter. If you have any questions, contact the Fuel Tax department by email at indianamotorfuel@dor.in.gov or phone at 317-615-7200, Option #1.

Sincerely,
