Re: Final Tax Rate Matrix 3<sup>rd</sup> Quarter 2012

Please find attached a copy of the 3<sup>rd</sup> Quarter 2012 Final Fuel Tax Rate sheet for Manitoba. It appears that I did not delete the 1<sup>st</sup> column in the tax rate matrix causing some confusion as to what Manitoba's tax rates are for this quarter. We do not have a split tax rate this quarter and I have highlighted the second line of the rate sheet to indicate the correct tax rates that all jurisdictions should be using for this quarter. Please disregard the first line on the tax rate sheet.

If you could please send this notice out to all concerned I would really appreciate it. Sorry for the confusion and thank you so much for all your help!

Yours truly,
